These provide the basis for the audit work.</p> <p>There are not normally any contentious disclosure issues; however where these arise the relevant notes are approved by the trustees prior to the draft accounts being submitted to the board</p>
<p><b>Undertaking the supplementary procedures reviews for the Trust</b></p>	<p>We assist you with the supplementary procedures reviews on internal processes and procedures. Our findings are reported to the board to review and decide upon any amendments to processes they wish to make or update.</p>
<p><b>Undertaking teachers' pensions end of year certification</b></p>	<p>We provide certification of the contributions made to the Teachers' Pension Scheme during the year ended 31 March 2020. The results of our finding are reported to management and the Teachers' Pension Scheme, with any proposed adjustment being discussed and approved by management prior to the certification being submitted.</p>

<p><b>Assisting with the iXBRL tagging of accounts for submission to HMRC</b></p>	<p>As required from time to time, we assist with the iXBRL tagging of the accounts for submission to HMRC with the Corporation Tax Return.</p> <p>There are not normally any contentious issues. In the event of the trial balance including client specific nominal accounts, resulting in a choice of where this is tagged in the accounts submitted to HMRC, the final adjustments are approved by the management team who are sufficiently knowledgeable to understand the full implications.</p>
<p><b>Assisting with the preparation of the taxation computations</b></p>	<p>Routine tax compliance work rarely produces any contentious issues.
