Acceptable Use Agreement KS1

I want to feel safe all of the time.

I agree that I will:

- ✓ Only open pages that my teacher says are OK.
- ✓ Only work with people I know in real life.
- ✓ Tell my teacher if anything makes me feel scared or uncomfortable.
- ✓ Make sure all messages I send are polite.
- ✓ Show my teacher if I get a nasty message or picture on the screen.
- ✓ Not reply to any nasty message or anything which makes me feel uncomfortable.
- ✓ Talk to my teacher before using anything on the internet.
- ✓ Not play games (unless told to by my teacher) during lesson time.
- ✓ Not tell people about myself online (I will not tell them my name, anything about my family and home, phone numbers or pets).
- ✓ Not load photos of myself onto the internet.
- ✓ Never agree to meet a stranger.

Anything I do on the computer may be seen by someone else.

I have listened to and agreed with these rules, and I know that they will keep me safe.

Child's name: _____

Signature: _____

Teacher: _____ Class: _____ Date: _____

SMART

Safe

Keep safe by being careful not to give out personal information when you're chatting or posting online. Personal information includes your email address, phone number and password.

Meeting

Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then, only when they can be present. Remember online friends are still strangers even if you have been talking to them for a long time

Accepting

Accepting emails, direct messages, or opening files, pictures, or texts from people you don't know, or trust can lead to problems - they may contain viruses or nasty messages!

Reliable

Someone online might lie about who they are and information on the internet may not be true. Always check information with ~~the~~ websites, books, or someone who knows? If you like chatting online, it's best to only chat to your real-world friends and family.

Tell

Tell your parent/carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if someone you know is being upset by things which have happened online
