

P.E.

Our Vision for PE

At Ribbon Academy, we recognise the importance of PE and the role it must play in promoting long term, healthy active lifestyles. We want all our pupils to appreciate the benefits of a healthy and physically active lifestyle. We aim to develop a fun, high quality physical education that inspires all pupils to succeed and excel in individual and team activities. It is our vision for every pupil to succeed and achieve to their potential. Through teaching of PE, we will provide opportunities for pupils to; develop values and transferrable life skills such as fairness and respect as well as providing them with a wide range of opportunities to take part in competitive sport. We are extremely passionate about the need to teach children how to cooperate and collaborate with others, as part of a team, understanding fairness and equity of play to embed life-long values. We adhere to Article 31 of the Rights Respecting Code which outlines: children have the right to freely rest and play in recreational activities.

What our children say...

- "I enjoy running around and getting sweaty!" – aged 6.
- "I like learning new games and sports with my friends" – aged 7.
- "I feel proud when we compete and win a competition against other schools"- aged 10.
- "I look forward to PE every week as I feel I can compete with my class mates" – aged 11.

What PE looks like at Ribbon?

At Ribbon, we strive to enthuse our pupils through fun and engaging PE lessons that are enjoyable, challenging and accessible to all. PE sessions take place either in the school hall, studio, MUGA or on our large school fields. Children experience high quality coaching through our PE coach, teachers and from Easington's School Sports Partnership. Children show pride in wearing their PE kit and display an excellent level of team work and sportsmanship.

Examples of learning at Ribbon

At Ribbon, the children showcase their vast talents during their PE sessions to their peers. Children have the option to progress their skills further by attending one of our high quality after school clubs. Throughout the year, all children can represent Ribbon through a variety of sports and competitions. These inter-school games allow for children to develop their sportsmanship, respect and teamwork. Those children identified as Gifted and Talented have regular opportunities to progress their skills through coaching and leading sessions as well as showcasing their talents to a wider audience. Our regular participation in competitions, wide range of after school clubs on offer and focus on sport for children with SEN have enabled us to achieve gold in the School Games Mark for the last 4 years.
