

Introduction to AHT for Early Years

Wednesday 5th January 2022

Dear Parent/Carers,

I am delighted to introduce myself as the new Assistant Head Teacher for Early Years within such a vibrant and inclusive community at Ribbon Academy.

I am very excited to work alongside you and your child/ren in the future. Having trained as a teacher that specialises in Early Years it has always been my passion to work with children at the very beginning of their exciting journey into their lifelong education. I believe that this stage in a child's education is crucial as it lays the groundwork for skills that become embedded and underpins their future learning. I believe you play an integral part in that learning, and together we can make every one of our children the best that they can be!

Through my enthusiastic and energetic nature, I will enthuse and excite your child so that they are racing to school ready for the exciting day that lies ahead!

I also look forward to working with such a dynamic and enthusiastic team at Ribbon Academy, as we continue to grow from strengths within. I am totally committed to provide a stimulating and engaging environment for your child/ren to enjoy and learn through play

I hope to hold a coffee morning within my first couple of weeks to get to know and develop relationships with you. I would like to hear how you see the Early Years developing further. In the meantime, if you have any questions, please don't hesitate to get in touch.

Kind regards,

Mrs K Harris (Assistant Head Teacher)
