

## RSE Curriculum Parent Consultation 2022

Dear Parents and Carers,

As a part of your child's education at Ribbon Academy we promote personal wellbeing and development throughout our PSHE curriculum. This gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

The Department for Education announced changes to relationships and sex education (RSE), which is part of our program of study, back in 2020 when all schools complied with the updated requirements.

As part of our ongoing curriculum development, we are in the process of reviewing our RSE curriculum and policy so we can continue to be sure our provision is appropriate for our pupils based on their:

- Age
- Physical and emotional maturity
- Religious and cultural backgrounds
- Special educational needs and disabilities

PSHE is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. All teaching takes place in a safe learning environment and is underpinned by our school ethos and values.

As a school community, we are committed to working in partnership with parents and all stakeholders within it and as such we would like your feedback to help us in doing this. We would like to invite any interested parents to **one** of the repeated consultation sessions below so we can effectively gather your views:-

- Morning session – Wednesday 2<sup>nd</sup> February – 9:15 – 10:00
- Afternoon session – Wednesday 2<sup>nd</sup> February – 3:45 – 4:30
