Year 3 PSHE (Changing Me)

Dear Parent/Carer,

Over the coming weeks Year 3 will begin the Relationship and Sex Education (RSE) work. Relationship & Sex Education became a statutory part of the National Curriculum in September 2020.

The Curriculum focuses on the human life cycle and differences between boys & girls. The children will also spend time learning about the human body, including the scientific names for male and female reproductive organs.

A full overview of your child's planned learning can be found on the following page.

If you have any questions about your child's RSE work, please contact either myself or Ms Jones via Main Reception. Mrs Maddison will also be able to provide support materials for parents/carers to discuss age appropriate RSE in the home.

Kind regards,

Mr S Houghton
Deputy Head Teacher
