

Year 6 2024-25

Term 5

Parent/Carer Overview

The Core

Reading/ Spelling

Spelling

In spelling, your child will continue to develop their knowledge of spelling rules and patterns to become more independent in spelling words with multiple syllables.

Reading

For the first two weeks of half term, we will be revising the key reading skills in preparation for SATs. As well as daily Book Club and Reading Plus sessions, your child will study the novel 'The Nowhere Emporium'. They will take part in discussions about the text and will develop their comprehension skills, focusing on understanding the vocabulary used by the author in the text.

Writing

Narrative

Your child will use a video stimulus to apply their writing skills to a story.

SPAG

Your child will revise key SPAG skills in preparation for SATs.

Maths

SATs revision

Your child will be revising key concepts in preparation for SATs test.

Science

Science will be taught in Term 6.

The Creatives

Art & Design

Art & Design will be taught in Term 6.

Design & Technology

Design & Technology will be taught in Term 6.

Music

Glockenspiels

The children will be exposed to musical pieces of varying speeds and will decide on how quietly or loudly it should be played. They will also develop their understanding of the correct vocabulary to describe music.

Music of the Moment

Each day, they will listen to the 'Music of the Moment', which changes on a weekly basis. They will have the opportunity to discuss the music.

The Humanities

Geography

Geography will be taught in Term 6.

RE

So, what do we know about Christianity?

Your child will draw upon all previous learning to recall how Christians express their beliefs and how beliefs have an impact on how Christians live their lives.

History

History will be taught in Term 6.

The Wider Curriculum

PE

Basketball

Your child will develop their ball handling and passing skills, focusing on chest and bounce pass. They will also develop their ability to dribble, pass and shoot whilst running and moving into space. Additionally, they will learn the correct shooting technique, focusing on hitting targets to score points. They will put their learned skills into invasion based games.

Computing

Project Work

This is the final project lesson within Computing. Your child has learnt a lot of skills during their time at Ribbon Academy and have a strong understanding of a wide range of programmes. The idea of the 'project' is that a topic will be picked by the class teacher and the children will use all of their skills to create a PowerPoint to showcase all of their skills.

MFL

The Future

Your child will learn how to describe what they plan today / tomorrow and in the future. They will take part in conversations and written work around this topic.

PSHE

Relationships

In this topic, your child will continue to study how to take care of their mental health. They will also look at healthy and unhealthy relationships and develop further strategies for solving problems and arguments with their peers.

As well as this, they will apply their learning to the online world, to ensure that they continue to keep themselves safe in the real and virtual world.
